Indicates How Many Gallons To Fill

Tank Sizes (gallons)				
	275	330	[2] 275's	[2] 330's
Full				
3/4				150
1/2			180	220
1/4	150	180	240	290
	180	220	300	350
	210	250	360	430
Empty	240	280	420	500
			480	575

The most common tank size is 275 gallons.

Automatic Oil deliveries will be delivered when your tank is around 1/4 full.

Will Call customers should **call when tank level is outside the yellow zone**.

Gallons listed on chart are quantities to be ordered not the amount in tank.

Actual tank capacity is slightly lower than tank size.
